ABOUT ME

Highly motivated Computer Engineering student at LJ University with a passion for innovation and problem-solving. Proficient in programming languages and eager to apply technical skills to real-world challenges. Strong team player and effective communicator. Committed to continuous learning and staying up-to-date with the latest industry trends.

WORK EXPERIENCE

Software developer Intern Jan 2023-Feb 2023
Plushvie | Ahmedabad

Collaborated with a team of developers to contribute to the design and development of software solutions. Assisted in coding and testing software modules, ensuring adherence to quality standards and project timelines. Gained hands-on experience in how the technology is running now a days .

Tech-Mentor Dec 2021-Feb 2022
CDAC | Ahmedabad

As a Tech Mentor at the CDAC Institute, I facilitated the learning and development of students in various programming languages and office software. I specialized in providing comprehensive training in C and C++, equipping students with essential programming skills and problem-solving techniques
